This is your Social Studies District Assessment #2

Review Guide.

Each question that is in this guide goes with a question (or two) that is in your test. If you answer each question (correctly) you will be able to answer each question correctly on the actual District Assessment #2.

Make sure you answer all questions and then study it afterwards!

In addition to these questions, you will also be asked to look at maps and answer questions. Please use your observation skills and read all answers before you choose.

Good luck!
